

# SOLARFEST

THE NEW ENGLAND RENEWABLE ENERGY FESTIVAL

JULY 16, 17 & 18, 2010

## 2010 PROGRAM SUPPLEMENT

### MAIN STAGE SCHEDULE UPDATE

#### SUNDAY

11:00 a.m. - 12:00 p.m.

**Big Slyde** - "Big Slyde has a fresh, good natured approach to acoustic music. Their textures are delicious and their compositions are inviting." - Tony Trishka (banjo wizard).

During the dog days of summer the Adirondack high peaks are a little spot of heaven on earth, but we've lured Big Slyde down to the relative flatlands of Tinmouth. The instruments are acoustic, but that is where an "Americana" label leaves off. Anchored by Christina Grant's sweet cello, spiced with Mikey Portal's Latin-flavored guitar work, and leavened with the father-daughter harmonies of John and Hannah Doan playing guitar, bouzouki, dobro, banjo, and dojo, this is a sweet treat for the ears. With a host of solid originals and covers ranging from Bill Withers to Led Zeppelin, Big Slyde will get your toes tapping. All ten!

**Time Change** - "Being Jane Goodall" is now scheduled for 12:15 p.m. - 12:45 p.m. instead of 12:30 p.m. - 1 p.m.

### THE SOLAR GENERATION FRIDAY NIGHT MOVIE

6:30 p.m. - 8:00 p.m. - The Solar Generation Tent

**FOODMATTERS®** is a hard-hitting, fast-paced look at our current state of health. Despite the billions of dollars of funding and research into new so-called cures we continue to suffer from a raft of chronic ills and every day maladies.

Find out what works, what doesn't, and what's killing you. Becoming informed about the choices you make for you and your family's health could save your life.

### SINGER SONGWRITER SHOWCASE UPDATE

The following Songwriter Showcase finalists will perform on the Main Stage on Saturday, July 17, from Noon until 2pm. Don't miss this year's talented contestants!

- **Chris Elliott** of Leverett, Massachusetts
- **Michele Fay** of Ripton, Vermont
- **Ben Hammond** of Hiram, Maine
- **Ben Karis-Nix** of Troy, New York
- **Gary Moon** of Lake George, New York
- **Aaron Nathans** of Talleyville, Delaware
- **Anna Pardenik** of Burlington, Vermont
- **Jessica Smucker** of Lancaster, Pennsylvania
- **Brie Sullivan** of Holyoke, Massachusetts
- **Allison Tartalia** of Astoria, New York

In addition to their Main Stage performances, songwriters will take to the Family Stage for extended sets of their material, often with back-up players and singers. Check the program schedule for times and days.

### WORKSHOP UPDATES

**TIME CHANGE** - The Solar Generation Tent

**Jane Goodall's Roots & Shoots: You Can Change the World** will be held on Sunday from 11:00 a.m. - 12:00 p.m.

**Reusable Gargoyles** will be held on Sunday from 12:30 p.m. - 1:30 p.m.

**WORKSHOP CANCELED** - Green Building Tent

The Sunday (3:30 p.m. - 4:30 p.m.) workshop entitled, **Improving Energy Efficiency in Homes**, has been canceled.

## IMPORTANT INFORMATION

**Need Assistance?** Our Security Team can be identified by their red SolarFest T-shirts, and our regular Volunteers by their yellow SolarFest T-shirts. Don't hesitate to ask them for help or guidance.

**First Aid:** If you need medical attention, the First Aid Tent is located in the center of the site between the white arena and the yellow barn. Contact Security or a Volunteer if you need an escort.

**Have Questions?** Please visit our Information Booth located at the center of the festival grounds. Our friendly staff can help you find your workshop, send out news of lost keys, wallets, children, etc. (please don't lose your children!).

**WE HOPE YOU ENJOY YOUR SOLARFEST EXPERIENCE!**
