

Dear SolarFest Volunteers,

This is from Board President and Box Office Head Jenny Talke Munyak:

Hi All,

Thank you for a TERRIFIC festival! All of your hard work, team work, and dedication is so appreciated and was absolutely integral to our success.

I personally received many compliments on our festival - people enjoyed the diversity, the organization, the parking system(!), festival layout, and on and on. I look forward to hearing what you all experienced and heard. Patty will schedule a draw down meeting so that we can share our experiences and thoughts...so stay tuned...

Final numbers will take some time to calculate but we hope that the results will fulfill the SolarFest Board's expectations.

As important as the numbers is the goodwill, education, spirit and joy that we shared and conveyed.

My sincere thanks,

Jenny

And this is from Melissa:

We will send a notification about our draw down meeting when the date is set. All are welcome -- the purpose is to eat together, be relaxed together, and to hear in real time suggestions for improving what we do together.

We heard some great ideas from folks over the weekend: hard to retain in the thick of things. PLEASE write them down and send them to us! We welcome your emails with feedback; you may send directly to me at [volunteers@solarfest.org](mailto:volunteers@solarfest.org), or to Patty Kenyon at [info@solarfest.org](mailto:info@solarfest.org). If you know that you would like to be with us next year, tell me that too.

We do an amazing, tremendous thing together each year!!! SolarFest has evolved to where it is because of the accumulation of good ideas and good energy, and it belongs to all of us.

"THANK YOU" is inadequate, but it is what we have. We are so grateful to you for holding a piece of SolarFest.

Thank you!
