The Power of Positive Energy

2010 FESTIVAL  
JULY 16, 17 & 18

SolarFest is a 501(c)3 Non-profit Organization

## SolarFest 2010 starts on Friday!

Get ready for our best SolarFest ever. More than 35 performances on two Solar Powered Stages. Over 85 workshops in 5 workshop tents. More than 100 vendors and exhibitors. Kids Activities. Theater in the Woods. Free walk-in camping. Three days you will not want to miss.

And what about the weather? It's looking great! All three days look to be mostly sunny with an isolated chance of a Thunderstorm on Friday. And even if isolated showers pass through, SolarFest is well-prepared. As a Rain-or-Shine event, much of the action is under tent-cover to keep us dry in case of rain and cool in the summer sun. So don't let the weather keep you from enjoying SolarFest's spectacular weekend.

Have a look! We've added much more to our roster of events. Many more exhibitors and vendors! PLUS, last minute additions and changes.

We've also chosen our finalists for our Singer Songwriter contest, which will take place on Saturday this year.

Take a peak - better yet - come join us live!

See you at SolarFest!
